2 OFFERS

Unless stated otherwise in writing by Seller, all Offers made by Seller shall be valid for a period of thirty (30) days from the date of such Offer. Unless accepted by Buyer within the Offer validity period, Seller reserves the right to withdraw and/or revise its Offer. The prices offered by Seller apply only to the specific quantities, specifications, delivery schedules, and terms and conditions set forth in Seller’s Offer.

3 ACCEPTANCE

The terms and conditions herein apply to all Offers made by Seller, and all Orders accepted by Seller. Acceptance of Buyer’s Order, and any changes or amendments thereto, is strictly conditioned upon Buyer’s assent to Seller’s terms and conditions. Unless otherwise agreed upon in writing by a duly authorized representative of Seller, Seller objects to, and is not bound by, any terms or conditions that differ from, add to, or modify the terms and conditions herein. Seller’s failure to object to any terms and conditions or any other provisions contained in any communication from Buyer, including, but not limited to, Buyer’s Order and any changes or amendments thereto, does not waive any of the terms and conditions specified herein. Seller’s acceptance of Buyer’s Order or Buyer’s receipt of Goods, whichever occurs first, shall conclusively evidence Buyer’s unconditional acceptance of these terms and conditions. The terms and conditions herein shall be applicable whether or not they are attached to or enclosed with Goods and/or Services sold or to be sold hereunder.

4 PRICES

Unless otherwise agreed in writing by a duly authorized representative of Seller, all prices are stated in United States Dollars, and all invoices issued by Seller and payments made by Buyer shall be in United States Dollars.

5 PAYMENT TERMS

Payment terms are net fourteen (14) days from date of Seller’s invoice. All amounts due to Seller but not paid by Buyer on the due date bear interest payable at a rate equal to the lesser of (a) one and one-half percent (1.5%) of the outstanding balance per month, or (b) the maximum interest rate permitted under applicable law. Interest accrues on past due amounts as of the date on which such amounts become due until the date Seller receives payment from Buyer. Buyer shall also be liable to Seller for any expenses incidental to collection of past due amounts, including reasonable attorneys’ fees and court costs. Credit limits applicable to Buyer shall be determined solely by Seller. If, in the sole judgment of Seller, the financial condition of Buyer justify Seller continued performance of Buyer’s Order, Seller may require full or partial payment in advance, and, in the event of Buyer’s bankruptcy or insolvency, Seller shall be entitled to cancel any Order then outstanding and Buyer shall pay Seller any applicable cancellation charges. Failure by Buyer to meet the credit requirements of Seller may result performance delivery delays equal day for day to the delays by Buyer in taking any actions necessary to meet Seller’s credit requirements.

6 TAXES

The amount of any present or future sales, use, excise, import duty, brokerage fees, or other tax applicable to the manufacture, sale, or lease of Goods shall be invoiced by Seller and shall be paid by Buyer, unless Buyer provides Seller a valid tax exemption certificate acceptable to the applicable taxing authority.

7 INSPECTION AND TESTS

All Goods manufactured by Seller are subject to Seller's standard inspection and quality assurance processes and, if applicable, acceptance testing at Seller's facility. Any additional requirements mutually agreed by the Parties, including, without limitation, Buyer's source inspection or additional testing, are at Buyer's sole expense. If Buyer requires inspection by Buyer at Seller's place of manufacture, such inspection shall not unreasonably interfere with Seller's operations. Seller shall give Buyer at least two (2) business days advance notice of availability of Goods for Buyer's inspection. If Buyer fails to perform such inspection within three (3) business days after said notice is received, or such other period as agreed by Seller, inspection by Buyer shall be deemed to have been waived by Buyer.

8 PACKING AND PACKAGING

All Goods shall be packed and packaged in accordance with Seller's standard commercial packing and packaging methods. Any nonstandard or special packing or packaging requested by Buyer shall be at Buyer's sole expense.

9 SHIPPING TERMS, TITLE, AND RISK OF LOSS

Unless agreed otherwise by Seller in writing, all shipments shall be delivered FCA Seller's facility in accordance with Incoterms 2020. Risk of loss to Goods shall pass upon such delivery. The title to the Goods, save for any software within the Goods, shall pass to Buyer upon delivery. If Seller prepays shipping, insurance, or other related charges, Buyer agrees to reimburse Seller promptly for such charges.

10 RIGHT TO USE SOFTWARE

Title to all software, delivered by Seller to Buyer by any means, as a part of the Goods, embedded in Seller's products, or otherwise, shall remain with Seller, and use of such software by Buyer or third parties shall be subject to the Seller's Software End-User License Agreement between Seller and Buyer.

11 EXPORT COMPLIANCE

The ultimate shipment of Goods, delivery of technical information, and provision of technical services to Buyer and end-users under Buyer's Order is subject to the right and ability of to make the sales or transfer of the product or technical information and/or the provision of the technical services under all applicable legislation promulgated by the Government of United States including, but not limited to, the rules and regulations governed by the U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC), and Export Administration Regulation (EAR) by the U.S. Department of Commerce, as well as all other corresponding regulations. Any Order that has been accepted by Seller but that cannot be fulfilled due to applicable law or regulations shall be considered to have been rejected when submitted to Seller for acceptance or rejection. Buyer hereby agrees that it will disclose information regarding the commercial or military end-users or end-uses to Seller upon request. A "military end-user" means the national armed services (army, navy, marine, air force, or coast guard), national guard, national police, government intelligence or reconnaissance organizations, or any person or entity whose actions or function are intended to support "military end-uses." A "military end-use" means incorporation, production, development, maintenance, operation, installation, or deployment of items described on the US State Department in its International Traffic in Arms Regulations (ITAR) US Munitions List (USML), or on the Commerce Control List (CCL) by the EAR. Further, unless it is expressly authorized by the applicable U.S. governments authority, Buyer shall not, directly or indirectly, transfer, sell, export, distribute, or otherwise dispose of Seller's Products or related technical information to any country or person that is listed on the EAR Entity List, OFAC Sanctioned Countries List, OFAC Specially Designated Nationals and Blocked Persons List, ITAR Prohibited Countries List, or EAR Denied Person List, nor shall it make

available in any manner Seller's Products or related technical information to any terrorist, terrorist group or other listed and sanctioned individual or entity against which United States has imposed legislative measures. The Parties each agree to provide to the other in a timely manner such information and assistance as may reasonably be required in connection with securing any required authorizations or licenses. Buyer agrees to indemnify and hold Seller harmless from any claims or liability arising from Buyer's failure to comply with all such decrees, statutes, laws, rules, and regulations. Any Order accepted by Seller which cannot be fulfilled due to law or regulations or Seller's inability to obtain any required export license, may be cancelled by Seller. In such case, Seller shall have no liability or obligations to Buyer.

12 DELIVERY SCHEDULES AND FORCE MAJEURE

Shipping dates are approximate, and require prompt receipt of all necessary Buyer-furnished information and materials, if applicable. Any delay or failure of Seller to perform its obligations under Buyer's Order shall be excused if such delay or failure is the result of an unforeseeable event or occurrence beyond the reasonable control of Seller, and without its fault or negligence, including, but not limited to, acts of God, actions by any governmental authority (whether valid or invalid), fires, floods, windstorms, explosions, riots, natural disasters, wars, sabotage, labor problems (including lockouts, strikes, and slowdowns), inability to obtain power, utilities, materials, labor, equipment, transportation, or court injunction.

13 MODIFICATIONS TO ORDER

Buyer's Order may only be modified by written instrument signed by duly authorized representatives of the Parties. Buyer may request changes to the general scope of Buyer's Order by a written notice to Seller, provided, however, such changes shall not be effective until and unless Seller consents to such changes in writing. If any such changes cause an increase or decrease in the cost of, or the time required for, the performance of any part of Buyer's Order, an equitable adjustment shall be made to the price and/or delivery schedule, and Buyer's Order shall be modified to reflect such change and adjustment in writing.

14 TERMINATION FOR CONVENIENCE; ORDER CANCELLATION

Buyer's cancellation of any Order for Standard Products that has been accepted and confirmed by Seller is subject to a restocking charge of twenty percent (20%) of the Order price for such items unless Buyer's written cancellation notice is received by Seller not less than one-hundred-twenty (120) days prior to the Order's confirmed delivery date. All other Orders are non-cancellable and non-returnable and Buyer is liable for payment of the full Order price for same. Blanket Orders, Master Supply Agreements, and the like, which are accepted and confirmed by Seller are non-cancellable and Buyer shall pay Seller the full Order value for the balance of quantities not previously called off or delivered to Buyer. All such quantities will be shipped and invoiced no later than the last delivery date or expiration date specified in the Order.

15 TERMINATION FOR DEFAULT

Either Party may terminate the Order if the other Party materially breaches a material provision of the Order. In the event that a Party (the "Breaching Party") is in material breach of a material provision of the Order, the other Party (the "Non-Breaching Party") shall submit a written cure notice to the Breaching Party advising of such breach. The Breaching Party shall have thirty (30) days from receipt of such notice to cure the breach. If the Breaching Party does not cure the breach within the thirty (30) day cure period, the Non-Breaching Party may terminate the Order. Either Party may immediately terminate the Order if the other Party is adjudicated bankrupt, files a petition for bankruptcy, makes an assignment for the benefit of creditors, or if an action under any law for the relief of debtors is taken.

16 LIMITED WARRANTY

Seller warrants that all Goods delivered under Buyer's Order shall be free from defects in material and workmanship, and conform to Seller's specifications for a period of three (3) months for Standard Products from the date of original shipment and the warranty period for all other Goods is three (3) months from the date of original shipment. This warranty does not apply to any Goods that, upon examination by Seller, are found to have been (a) mishandled, misused, abused, or damaged

by Buyer or Buyer's customer, (b) altered or repaired without Seller's prior written approval, or (c) improperly stored, installed, operated, or maintained in a manner inconsistent with Seller's instructions. This warranty does not apply to defects attributed to normal wear and tear. Seller, at its sole option, shall repair or replace defective Goods, or issue Buyer a credit for the original price of the defective Goods. Such repair, replacement, or credit shall be Buyer's sole remedy for defective Goods. Under no circumstances is Seller liable for retrieval, removal, dismantling, re-installation, redeployment, or re-commissioning of any defective Goods or any costs associated therewith. Consumables obtained from third-parties shall bear the warranty of their manufacturer. The warranty period for repaired or replaced Goods shall be the unexpired portion of the original warranty period. THESE EXPRESS WARRANTIES, INCLUDING THE REMEDIES SET FORTH HEREIN, ARE EXCLUSIVE AND ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS INTENDED OR GIVEN. IN THE CASE OF GOODS OTHER THAN THOSE OF SELLER'S OWN MANUFACTURE, SELLER MAKES NO WARRANTIES, EXPRESS, STATUTORY, OR IMPLIED.

17 RETURN AUTHORIZATIONS

Buyer's return of defective Goods to Seller is subject to Seller's then current return authorization procedures. Buyer shall promptly notify Seller of any non-conformance or defects in Goods, and provide Seller a reasonable opportunity to inspect such Goods. Goods shall not be returned without Seller's prior authorization, as evidenced by a Return Material Authorization (RMA) number issued by Seller. Once an RMA number is obtained, Buyer shall return Goods transportation and insurance prepaid in accordance with instructions issued by Seller. Failure to follow Seller's return authorization procedures may result in lost Goods, delays, additional service, restocking charges, warranty denial, or refusal of a return shipment. The RMA number must appear on the shipping label and all paperwork associated with the return. Buyer shall identify the model or part number, description, and serial number, if applicable, for each of the Goods returned along with an explanation of the non-conformance or defect. Issuance of a RMA number by Seller does not necessarily mean Seller agrees that returned Goods are defective or covered under warranty, or that Goods will be repaired or replaced at no cost to Buyer. If any Goods returned by Buyer are found to not be defective, Buyer shall be so notified and such Goods shall be repaired, replaced, or returned to Buyer at Buyer's option and expense. Such repair or replacement shall not be performed until and unless Buyer issues an Order to Seller authorizing such repair or replacement at Seller's then-current repair or replacement price. In addition, Seller may charge Buyer for any testing or inspection costs. Goods repaired or replaced under warranty shall be returned to Buyer at Seller's expense.

18 TOOLING

Unless agreed otherwise by Seller in writing, all tooling, fixtures, equipment, tools, software, and designs produced, acquired, or used by Seller for the purposes of fulfilling Buyer's Order shall remain the property of Seller.

19 PRODUCTION DISCONTINUATION; END-OF-LIFE BUY

Seller shall continue to offer products for sale (including Standard Product) provided products (specific part number, model, or product family) meets business criteria established and maintained solely at Seller's discretion. Any product that does not, or is not expected to, meet Seller's business criteria may be eliminated from Seller's product offerings ("Discontinued Product"). In such event, last-buy notices for Discontinued Product shall be provided to all current and prior customers of the affected product. Seller shall endeavour to provide a minimum of six (6) month's (the "Last-Buy Period") written notice of any change in product availability to all customers who have taken delivery of the affected product in the two (2) years prior to the date of such notice, or who have confirmed, but not placed, Orders with Seller for the affected product. Further, Seller shall endeavour to provide such notices to customers who have indicated an intention to order the affected product through written forecast information submitted to Seller or by other means. Orders for Discontinued Product confirmed by Seller during the Last-Buy Period will be subject to product availability, and will be confirmed no later than the end of the Last-Buy Period. Seller will schedule delivery of last-buy Orders, at Buyer's sole discretion, over a period not to exceed six (6) months following the last date of acceptance of last-buy Orders. All last-buy Orders will only be accepted on a non-cancellable, non-returnable basis. Seller will make every attempt to satisfy all confirmed last-buy Orders for Discontinued Product quantities. If, due to circumstances beyond Seller's control, Seller is unable to deliver the full quantity of

Discontinued Product under Buyer's last-buy Order, the balance of the undelivered quantity will be cancelled and Seller shall have no further obligations to Buyer.

20 PROPRIETARY RIGHTS

Seller shall retain all right, title, and interest in and to any data, information, software programs, tools, specifications, templates, scripts, ideas, concepts, inventions, works of authorship, products, know-how, processes, techniques, and the like used or developed by Seller, its employees, and its subcontractors in connection with Buyer's Order. Buyer agrees that Seller retains all proprietary rights in and to all products, specifications, designs, discoveries, inventions, patents, copyrights, trademarks, trade secrets, and other proprietary rights relating to Goods or Services. Unless otherwise identified in writing to Seller, no information or knowledge heretofore or hereafter disclosed to Seller in the performance of, or in connection with, the terms hereof, shall be deemed to be confidential or proprietary and any such information or knowledge shall be free from restrictions, other than a claim for patent infringement, as part of the consideration hereof.

The Buyer may not, and Buyer agree not to or enable others to, copy (except as expressly permitted by this Agreement), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Goods or any services provided by the Seller, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law).

21 PATENT, COPYRIGHT, AND TRADEMARK INDEMNIFICATION

Seller shall hold harmless and indemnify Buyer against all third-party claims, judgments, costs, and fees, including attorney fees, relating to infringement of any United States patent, copyright, trademark, or design to the extent that (a) the infringing Goods are manufactured, sold, or used, in whole or in part, pursuant to Seller's specifications, designs, drawings, or other technical data, and (b) provided that Buyer notifies Seller in writing of any such claim as soon as reasonably practicable, and allows Seller to control, and reasonably cooperates with Seller in the defense of any such claim and related settlement negotiations. To the extent that any Goods are held by a court of competent jurisdiction or are believed by Seller to infringe or otherwise violate a third-party's proprietary rights, Seller may, at its option and expense, either (a) modify the affected Goods to be non-infringing, or (b) obtain for Buyer a license to continue using such Goods on substantially the same terms set forth herein, or, if neither of the foregoing alternatives is reasonably available to Seller, (c) Seller may require Buyer to return the infringing Goods and all rights thereto, and refund to Buyer the price paid to Seller by Buyer for the infringing Goods. Seller shall have no obligation under this provision to the extent any claim is based on (a) modifications of Goods or deliverables by a party other than Seller or Seller's authorized representative, (b) the combination, operation, or use of Goods with equipment, devices, software, or data not supplied by Seller, (c) the use or installation of Goods in an environment for which Goods were not intended, (d) Buyer's failure to use updated or modified versions of Goods provided by Seller, or (e) the negligent acts or omissions or willful misconduct of Buyer, its employees, representatives, or affiliates. This Section, and the indemnification provided herein, does not apply to any Goods manufactured, sold, or used, in whole or in part, pursuant to Buyer's specifications, designs, drawings, or other technical data. THE FOREGOING CONSTITUTES THE ENTIRE LIABILITY OF SELLER AND BUYER'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO ANY CLAIMS OF INFRINGEMENT OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS.

22 CONFIDENTIALITY

Each Party (the "Receiving Party") shall keep confidential and not directly or indirectly disclose to any third party any Confidential Information, as defined herein, furnished to it by the other Party (the "Disclosing Party") in connection with Seller's Offer and/or Buyer's Order without the Disclosing Party's prior written consent. "Confidential Information" includes, but is not limited to, business, financial, statistical, and commercial information, pricing, technical data and information, formulae, analyses, trade secrets, ideas, methods, processes, know how, computer programs, designs, data sheets, schematics, configurations, and drawings. Confidential Information does not include information that (a) is or becomes generally available to the public other than as a result of disclosure by Receiving Party, (b) was available on a non-confidential basis prior to its disclosure by Disclosing Party, (c) is or becomes available to Receiving Party on a non-confidential basis from a source other than Disclosing Party when such source is not, to the best of Receiving Party's

knowledge, subject to a confidentiality obligation with Disclosing Party, or (d) was independently developed by Receiving Party without reference to the Confidential Information, and Receiving Party can verify development of such information by written documentation.

23 INDEMNIFICATION

Each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party, its officers, directors, and employees (the "Indemnified Parties") from and against any and all liabilities, losses, expenses, liens, claims, demands, and causes of action ("Claims") for death, personal injury, or property damage arising out of any negligent act or omission of the Indemnifying Parties in the performance of Buyer's Order, except to the extent such Losses are contributed to by (a) the negligence or willful misconduct of the Indemnified Party, (b) the negligence or willful misconduct of any third-parties, or (c) equipment, information, or materials furnished by Buyer to Seller. Seller's indemnification of Buyer does not apply unless Buyer (a) notifies Seller in writing of any such Claim as soon as reasonably practicable, and (b) allows Seller to control, and reasonably cooperates with Seller, in the defense of any such Claim and related settlement negotiations.

24 LIMITATION OF LIABILITY

Notwithstanding any other provision herein, under no circumstances shall either Party be liable for any consequential, special, incidental, indirect, multiple, administrative, or punitive damages, or any damage of an indirect or consequential nature arising out of or related to its performance under Buyer's Order, including, without limitation, loss of use, loss of revenues, loss of anticipated profits, and cost of capital, whether based upon breach of Buyer's Order, warranty, negligence, or any other type of Claim, and whether grounded in tort, contract, civil law, or other theories of liability, including strict liability, even if advised in advance of the possibility of such damages. Seller's total liability arising from or related to Buyer's Order, including, but not limited to, its liability for indemnity, defense, and hold harmless obligations under Buyer's Order, is limited to no more than the amount paid by Buyer to Seller under Buyer's Order, and Buyer agrees to indemnify Seller for any excess amounts. To the extent that this limitation of liability conflicts with any other Section or provision herein, such provision shall be regarded as amended to whatever extent required to make such provision consistent with this clause.

25 ETHICS AND VALUES

Seller is committed to uncompromising ethical standards, strict adherence to laws and regulations, and customer satisfaction.

- (c) Seller's Terms and Conditions of Sale

27 GOVERNING LAW AND VENUE

The performance of the Parties, and any judicial or arbitration proceedings, shall be construed and governed in accordance with the laws of the State of California, United States, without regard to conflict of law principles. Neither (a) the United Nations Convention on Contracts for the International Sale of Goods, (b) the 1974 Convention on the Limitation Period in Contracts for the International Sale of Goods (hereinafter referred to as the "1974 Convention"), nor (c) the Protocol Amending the 1974 Convention held at Vienna, Austria, on April 11, 1980, apply in any manner to the interpretation or enforcement of Seller's Offer, or Buyer's Order.

28 DISPUTES AND ARBITRATION

The Parties shall attempt to resolve any dispute, controversy, or claim arising under or relating to Seller's Offer or Buyer's Order, or to a material breach, including its interpretation, performance, or termination. If the Parties are unable to resolve such dispute, either Party may refer the dispute to arbitration. The arbitration shall be conducted in English and in accordance with the Commercial Rules of the American Arbitration Association, which shall administer the arbitration and act as appointing authority. The arbitration, including the rendering of the decision and/or award, shall take place in California, United States, and shall be the exclusive forum for resolving the dispute, controversy, or claim. The arbitrator shall make the final determination as to any discovery disputes between the Parties. Examination of witnesses by the Parties and by the arbitrator shall be permitted. A written transcript of the hearing shall be made and furnished to the Parties. The cost of this transcript shall be borne equally by the Parties. The award or decision of the arbitrator shall state the reasons upon which the award or decision is based, and shall be final and binding upon the Parties. The prevailing Party shall be entitled to compensation for the expense of the arbitration, including, but not limited to, the award of attorneys' fees, at the discretion of the arbitrator. Both Parties waive their right to any appeal under any system of law. The award shall be enforceable before any court of competent jurisdiction upon the application to such court by either Party. The arbitrator shall have no authority to award any of the types of damages excluded by hereunder, and shall be so instructed by the Parties.

29 RELATIONSHIP OF THE PARTIES

Each Party is an independent contractor. Neither Party shall have authority to bind the other except to the extent authorized herein. This Agreement is not intended by the Parties to constitute or create a joint venture, pooling arrangement, partnership, or formal business organization of any kind. The Parties shall act as independent contractors at all times, and neither Party shall act as the agent for the other, and the employees of one shall not be deemed to be employees of the other

30 CHANGES

These terms and conditions are subject to change at the sole discretion by the Seller, by making a new revision of these terms and conditions (the "Revised Terms and Conditions"), which shall replace these terms and conditions entirely on the Effective Date specified in the Revised Terms and Conditions. Seller shall publish the Revised Terms and Conditions, on its website no later than on the Effective Date of the Revised Terms and Conditions. The Buyer shall have the right within 30 days from the Effective Date of the Revised Terms and Conditions to reject the changes by terminating these terms and conditions with a 30 day notice. In such termination, Buyer shall pay Seller the full unpaid Order value for the Goods not previously cancelled in accordance with Section 14, or delivered to Buyer. All Goods will be shipped and invoiced no later than the last delivery date or expiration date specified in the Order.

31 NOTICES

All notices given by the Parties shall be made in writing, and delivered personally or sent by prepaid mail (by air-mail if the notice is being communicated internationally), or by facsimile, cable, or email addressed to the intended recipient at its address or at its electronic address. Regardless of the method of transmittal, the sending Party is responsible for obtaining a return receipt for the notice, demand, or communication.

32 ASSIGNMENT

Neither Party may assign, delegate, sublicense, or transfer, whether by operation of law or otherwise, their obligations or rights hereunder without the other Party's written consent and any assignment, delegation, sublicense, or transfer (a) without such written consent is void and of no effect and, (b) if consent is given, shall be binding upon, and inure to the benefit of the successors and assigns of the Parties. Notwithstanding any provision of these terms and conditions, Seller may, without consent, subcontract work to be performed under Buyer's Order or assign Buyer's Order to a parent, subsidiary, or affiliate company of Seller. In addition, without securing such prior consent, Seller shall have the right to assign Buyer's Order to any successor, by way of merger or consolidation, or the acquisition of substantially all of the entire

business and assets of Seller relating to the subject matter of Buyer's Order, provided that such successor shall expressly assume all of the assignor's obligations and liabilities under Buyer's Order, and provided further that Seller shall remain liable and responsible to Buyer for the performance and observance of all such obligations.

33 WAIVER; REMEDIES; COSTS

None of the Sections, terms, conditions, or provisions herein shall be waived by any act or knowledge on the part of Seller, except by written instrument signed by a duly authorized representative of Seller. The waiver by Seller of any term, condition, provision, or right hereunder or the failure to enforce at any time any of the terms and conditions herein, or any rights with respect thereto, is not a continuing waiver or a waiver of any other rights, or of any material breach or failure of performance of Buyer. The remedies herein reserved or created for Seller shall be cumulative, and additional to any other or further remedies provided at law or in equity. Seller may remedy any breach of the terms or conditions hereof without waiving the breach remedied, or without waiving any other prior or subsequent breach. Buyer shall pay all Seller's costs and expenses, including attorney's fees, incurred by Seller in exercising any of its rights or remedies hereunder or enforcing any of the terms or conditions hereof.

34 SEVERABILITY

If any term, condition, or provision herein is invalid, ineffective, or unenforceable under present or future laws, then the remainder of the terms, conditions, and provisions shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.
